Secretary Daniels ordered an inquiry

into the report that armored motor

boats were being manufactured in

the United States for Russia.

J. D. Kenworthy was appointed as

assistant general passenger agent of the

Denver & Rio Grande Railroad with

headquarters at Salt Lake, Utah.

Just as a special train carrying 300

happy picknickers on the Westwood,

Mo., Board of Trade outing was

leaving the station, Melville Knight,

drummer in the band, dropped dead

from heart trouble.

It is believed, however, that one and

possibly all three of the new boats

will come to the Honolulu run.

The first of the three to be com-

pleted probably will be the Floridian,

a freighter of 4,000 net tons, 414

feet long and 52 feet beam. She will

be followed by the Artisan about

March 1 and the Arborescent on May 1.
